

## DIGIPRIME PROJECT OPEN CALL – JOIN THE INFO DAY, 27<sup>TH</sup> OF OCTOBER !

DigiPrime invites you to the “Info Day” focusing on its [Open Call type “B” for Pilots in new sectors using the DigiPrime digital platform, services and basic data transfer functionalities](#). The info day will take place on the **27<sup>th</sup> of October 2022, from 10.00 to 11.30 CET**. The Open Call provides up to 100.000 euros funding for proposals submitted by one SME and up to 200.000 euros for a consortium !

The **DigiPrime project** has the mission to develop a new concept of Circular Economy digital platform overcoming current information asymmetry among value-chain stakeholders, in order to unlock new circular business models based on the data-enhanced recovery and re-use of functions and materials from high value-added post-use products with a cross-sectorial approach. Current pilots are: [Batteries](#) ;[Textile](#); [Mechatronics and electronics](#); [Composites and Techno-Polymers](#); [Cross-regional value chains](#); [Circular Innovation Hubs Integration](#).

The **objective of the Open Call B** is to develop new pilots to expand the DigiPrime platform to additional sectors and explore new application contexts. For more details on the specific objectives please consult the [dedicated DigiPrime platform section](#).
